

Food4Kids: a community coalition supporting family

Food4Kids provides free groceries weekly during school vacation periods for hungry children in the North Kitsap area. Food is delivered to the child’s home in two large grocery bags that contain enough food for two meals a day per child.

To register for this program, please provide the contact information requested below and either send it to Kingston Cares, PO Box 876, Kingston, 98346, email it to jpgeisbush@comcast.net, or return it at the next Community Meal.

I hereby authorize my child/children’s’ participation in the Food4Kids school vacation food program.

Child/Children’s name(s):

Parent/Guardian (print name):

Parent/Guardian (signature):

*Delivery address:

*Contact phone number: _____

If your child has a life-threatening allergy, a regular meal package is not suitable. The regular package is also not suitable for children who need dairy-free or gluten-free foods, as most processed foods provided contain one or both. Please mark below if you would like to receive a pack of produce only.

_____ Yes, I would like my child to receive only produce.

*Address and phone number are needed to ensure delivery and provide you with

24-hour reminders before delivery.
