NIGHT TIDES

Some harvests this month will occur at night. Pay close attention to the dates and times listed on the schedule to ensure that you end up at the right beach on the right date and time. If in doubt, double check with Natural Resources Staff.

ALL HARVEST MUST BE REPORTED TO THE MONITOR

According to the regulation, harvesters "are required to report their catch to the beach monitor immediately following the harvest". ***IT IS YOUR RESPONSIBILITY TO REPORT TO THE MONITOR, NOT THE MONITOR'S RESPONSIBILITY TO FIND YOU.*** Violations will be forwarded to enforcement.
