The Point Casino & Hotel has announced a \$126,163 award to support the Boys & Girls Club of North Kitsap.

The funds were raised during The Point's Annual Charity Golf Tournament, hosted by The Port Ludlow Golf Course. This annual event, which always has a named charitable partner, draws players from across Kitsap County and beyond. In 2026, more than 120 player

participated in the tournament and dozens of volunteers pitched in to make for a spectacular day.

“We’re proud to be able to support organizations doing good and important work in our community, like the Boys & Girls Club. The Point is operated through the lens of the values of the Port Gamble S’Klallam Tribe, which means that it’s important that we’re not only a responsible business, but also a good neighbor,” said Marc Papaj, General Manager, The Point Casino & Hotel.

A check presentation to the Boys & Girls Club of North Kitsap was held during the KEDA CONNECTS Q3 Social, which took place at The Point Hotel’s Ron Charles Spindle Whorl Courtyard in September. KEDA CONNECTS is an opportunity for members of the Kitsap Economic Development Alliance to come together with community partners for an evening of good food and socializing.

The Annual Charity Golf Tournament, held in late summer, is just one way The Point Casino & Hotel gives back to the Kitsap community every year. They are frequent sponsors of events and organizations across the area, donate funds to charitable partners, and are the main contributor (through Appendix X funds) to PGST’s Community Investment Grant Program, which earlier this year awarded \$100,000 to the Kitsap Regional Library Foundation.
