Demolition of Manufactured Home

The Port Gamble S'Klallam Tribe is seeking bids for demolition of an approximately 1000 square foot manufactured home and outbuilding located at 31569 Little Boston Road NE, 98346, on the reservation. An on-site septic tank must be pumped and backfilled. All demolition debris must be legally disposed of off reservation. Vehicle access must be restricted following demolition by placement of Ecology blocks and chain or cable.

An asbestos survey was completed, and asbestos abatement will be completed by the Tribe's contractor prior to demolition. A demolition permit must be filed by the contractor with Puget Sound Clean Air Agency. Davis-Bacon wages and reporting apply to this project. Contractors must be licensed, insured, and bonded. **Bids must be in by 4:00 pm Wednesday, December 2, 2026**. Please email a statement of qualifications, price, and schedule to Sam Phillips, project manager at **sjphillips@pgst.nsn.us**. We are hiring based on price and qualifications.
